

York General Optional Patient Portal Application

MyLinks is a free application allowing patients to access data from York General Hospital using technology called FHIR. This application and the York General Hospital FollowMyHealth patient portal are both options to view your health information.

1. To create an account, go to **www.mylinks.com** and select "Sign Up"

2. After logging in, select "Health Record". In drop down select "Gather" and search for York General Hospital. Select "Get Health Record"

3. To add records to MyLinks, use your FollowMyHealth user name and password.

4. A window will open for permission to access information. Select "Yes, I Accept" for app to receive health data. If you decline, information will not be available in MyLinks.

5. Once records are retrieved. Select "View" under Health Record.

****Updated data in MyLinks can only be seen by you. You cannot send any changes back to York General. You will need to bring updated information to your next visit at York General.**

****If you have previously opted out of this program or need assistance call 402-362-0433 or 402-362-8001 M-F 7:30 a.m. to 3 p.m. CST & we can assist you in getting connected to FollowMyHealth or MyLinks.**
